Give AI a Job

Writing a Speech with Purpose · Sat, Nov 7 · 5 to 7 min, aim for 6:00

1 0:00	Center	**Who gave AI a job?** *"Please raise your hand if you used AI this week."* three hand questions · smart search box (or the backup line) · do the work, not just talk · no coding · try it this week
2 1:20	Your right	**What is job one?** *"Job number one: hard forms."* spices from Turkey · FedEx · quarantine · government website · broker for 30,000 won · I helped a little **Try it: Log in yourself. Tell AI: "Fill in this form. Ask me if anything is unclear." Check, then press Submit.**
3 2:45	Center	**What is job two?** *"Job number two: posting the same thing in many places."* my meetup · Luma, Facebook, Instagram · Korean and English · 28 old posts · "It was not Instagram. It was my AI." **Try it: Let AI post for you. Check the first few posts yourself.**
4 4:15	Your left	**What is job three?** *"Job number three: getting ready to meet people."* about a hundred names · 82 profiles · top six, and why · CEO who teaches at KAIST · two in the UK **Try it: Give AI the guest list. Ask: "Who should I talk to, and why?"**
5 5:30	Center, one step forward	**What should they remember?** *"So, three jobs."* forms · posts · people · AI is great at boring · more time for people · closing by heart

By heart: the 3 hand questions, the backup line, and the last 3 lines. Last line: **Let AI do the clicking. You do the talking.**
